All teachers are to use a cumulative grading system. Grades issued at six, twelve, and eighteen weeks are an indication of the standing in the class at that time, including all 1% reductions for unexcused absences and suspensions.

Each Unexcused day (U), Suspension day (S), and In-School Suspension day recorded as (I) will result in a 1% reduction in the cumulative grade. Teachers must remember to include reductions for unexcused absences every time student grades are issued.
